

## 09.1 Admissions & Fee Policy

It is our intention to make Chevening School Nursery accessible to children and families from all sections of the local community. The nursery sees inclusion as essential to ensure that every child is given the opportunity to learn and develop in a safe and supportive environment that adapts to their individual physical, emotional and educational needs.

We welcome all families regardless of cultural, ethnic, religious and social groups. However, it should be noted that the nursery is affiliated to a Church of England Aided Primary School and the ethos will naturally reflect this. Attendance at Chevening School Nursery does not guarantee your child a place at Chevening Primary School.

We give full access to all our policies and procedures and Ofsted inspection reports. These are displayed in the nursery foyer and on our website.

We monitor the gender and ethnic background of children joining the setting to ensure we are being inclusive in our practice. Please refer to our Promoting Inclusion Equality and Valuing Diversity policy.

Chevening School Nursery adheres to the Equality Act 2010 and every child is respected as an individual. The needs of each individual child will be considered when places are offered, and staff will work with parents/carers on Support Plans where necessary to ensure all children meet their full potential.

We are open Monday to Friday term time only (37/38 weeks of the year)

- morning sessions are from 08:30am - 11.30am
- afternoon sessions are from 11.30am - 2.30pm
- full days are from 08.30am - 2.30pm
- extended full days are from 08.30am - 3.30pm

### Registering your child

The minimum age for children joining the nursery is 2 years. To register your child, you will need to fill in an application form, from our website and pay a non-refundable £40 administration fee. We will then put your child on our waiting list. *(If you know your child will take up a totally free FF2 place, then no admin fee is required.)*

Our main intake is in September with younger children sometimes starting in January or Easter.

At 2 years old a place will be offered depending on a space being available. We will endeavour to accommodate those already on the waiting list, giving priority to those who have siblings already attending the Nursery and/or Chevening Primary School.

To ensure continuity for the child, parents are advised to access 2 sessions over 2 separate days eg a minimum of 2 mornings a week.

We try to be flexible about attendance patterns to accommodate the needs of individual children and families. Full days are subject to availability and at the discretion of the Management Committee. This is to ensure that all children and families have access to Early Years Education. Offered places will be reviewed annually. The fee structure is also reviewed annually.

Upon acceptance of a place offered we ask for a non-refundable £50 holding deposit which will be deducted from your first invoice. *(If at the point of starting your child takes up a totally free place this will be refunded. Non-refundable if you choose to withdraw your child prior to them starting.)*

If you choose to decline the place offered at the time, there is no guarantee that a place will be available in the future, but we can keep your child on the waiting list if this is viable.

We also accept "Free for 2" funded places - specific financial criteria are needed to qualify for this funding. Please speak with a member of staff for further information.

We try to keep a place vacant (if financially viable) to accommodate any emergency admissions.

Home visits are conducted prior to children starting at nursery. If your child is finding it hard to settle in, it may be necessary for you to come back in or leave slightly later (e.g. after registration) for a short time. Members of staff are always approachable about any concerns you may have and will support you and your child no matter how long it takes for them to settle in. We do also encourage you to leave your children in our care as soon after starting as possible. Please also see our Key Person and Settling in Policies.

You will still be charged for your sessions if you choose to take your child on holiday during term time.

Fees will not be reimbursed should your child be off nursery due to illness or if the nursery has to close due to a local lockdown, an outbreak at nursery or requested by Public Health England. This also includes closing for any unforeseen circumstances eg loss of utilities, power or extreme weather etc.

The Management Committee require one term's notice if you wish to withdraw your child at any time otherwise you may be charged for the current term.

### Late Pick up Charge

We operate a late pick up charge. Parents have a five-minute grace period to pick up their child; after that, a £5 fee will be charged for every additional 5 minutes. If staff are notified by phone in advance with a valid reason, charges may be waived at the management committee's discretion.
