2025/2026 Parent Questionnaire Feedback

- The percentage of returned questionnaires was 77% (35 handed out, 27 returned)
- Feedback indicates parents feel gaining independence, confidence and perseverance are the most important skills their child has gained.
- Top activities were cookery, outdoor play, songs and music and arts and crafts.
- 100% of families find staff approachable, helpful and well informed.
- Most parents felt having fun was a top priority when choosing an Early Years setting.
- Families felt nursery is ***very effective*** at involving families in their child's learning.
- For those families who received a home visit (all are offered) 85% said they found them ***very beneficial*** with 15% saying ***beneficial.***
- 100% of families are aware of our website and the (new) Instagram account.
- 100% of families feel their child's learning journal captures their personality, interests and informs parents of their learning.
- 19 families drive to the setting.
- 8 families walk to the setting.

We had some lovely further comments and feedback: -

"The range of activities on offer are fantastic"
"We love the expansive outdoor space"
"Staff show love, care and support to all the children"
"Staff are fun, nurturing and dedicated"
"My child wants to go to nursery even on their days off!"
